The Season is deferent and specially in mid February it the Caving Season in the Serengeti this is when the wildebeests and other plains game give birth to young ones, clients see allot of action during this time

# Tanzania Safari

## Safari Serengeti & World of Craters

Travel Period: July – September 14 Days 13 Nights Safari

### Day 1

#### Arrive at Kilimanjaro International Airport

Meet and greet at the Airport and then transfer to Impala Hotel for dinner and overnight HB

### Day 2

#### Arusha – Arusha National Park

After breakfast on this day clients will depart from Impala Hotel with picnic lunch boxes to Arusha National Park. Reaching Ngongangare gate the park entrance an armed ranger will accompany the clients for a walking safari. Clients will do a walking safari around the slopes of Mt. Meru, then have lunch. After lunch clients will do a safari around the park visiting the lakes and also visiting the two replicas of Serengeti National Park: Serengeti Ndogo and Ngurdoto Crater a replica of Ngorongoro Crater. Returning to the lodge for dinner and overnight.

### Day 3

#### Arusha – Meserani Snake Park – Tarangire National Park

On this day after safari briefing clients will depart from Arusha to Meserani Snake Park & Maasai Museum, then depart to Tarangire National Park.

Game drive till late afternoon then proceed to Tarangire Sopa Lodge for dinner and overnight.

### Day 4

#### Tarangire National Park - Lake Manyara National Park

After breakfast clients will depart from Tarangire National Park to Mto WA Mbu, where clients can test papayas, mangos, red bananas and other exotic fruits of the season. Game drives Lake Manyara National Park.

Dinner and overnight: Kirurumu Luxury Tented Camp

### Day 5

#### Lake Manyara National Park - Ngorongoro Crater

Drive to Ngorongoro Crater. After lunch clients will experience the great variety and density of animals in the second largest Caldera on earth. The most beautiful game-drives you may experience in the late afternoon: Most of the people have left the crater-floor, the light gets soft and the activity of the wild animal's increases. Please have a sufficient quantity of film-rolls! Clients will take more pictures of this fantastic African landscape, flora and fauna than you have ever expected.

Dinner and Overnight: Ngorongoro Serena Safari Lodge

### Day 6

#### Empakai Crater

Very few people have experienced this extraordinary excursion, which is on the itinerary of today. Passing the slopes of the Olmoti Crater you will be fascinated by the scenery of Embulbul Depression, Loolmalassin- and Empakai Crater. On a really difficult track we will "ride" you to the rim of Empakai Crater (2700m). The Caldera is edged by 600m high, steep, jungle walls and its floor is covered with a green glimmering lake - the seasonal home of millions of flamingos. With some luck, you may see them. This excursion offers the possibility, that you will meet Maasai in their untouched environment, not invaded by tourists. An armed ranger will accompany clients which open the chance to descend to the crater floor (tough path!).

Dinner and Overnight: Ngorongoro Serena Safari Lodge

**Important: Unforeseeable events like heavy rain leave the track to Empakai impassable. In these cases clients will enjoy a day of rest or (if clients like) make an excursion to Olmoti Crater.**

### Day 7

#### Ngorongoro Crater - Serengeti National Park

Passing Ngorongoro crater rim you descend through a really impressive landscape down to Oldupai Gorge. There you will find the most complete and eldest proofs of human development. Stop for the information about the cradle of mankind!

Excursion to the Fig tree (if clients like too): Drive on dusty, nearly never used trails to the north - an excursion into a lost wilderness. Clients will find a fig tree in untouched Maasai land, north of Oldupai and close to the Gol Mountains. Even if clients are not so interested in trees, this tree might tell client about the last 1000 years.

**Important: The track to the Fig tree is extremely dusty and impassable if it is raining. Continue to the heart of Serengeti**

Dinner and Overnight: Serengeti Serena Safari Lodge / Serena Mbuluzi Mawe Luxury Tented Lodge

## **Days 8 – 9**

### **Serengeti National Park**

Clients will have plenty of time to explore the Serengeti, one of the most beautiful National Parks in the world with an incredible wildlife. Your game drives will be adapted to the animals' position. This season is also called "cat's time", because all big cats are going hunting more as the big herds are standing in the North, in Maasai Mara.

As all our safaris have no limit of mileage and time, you have the best chances to become witness of a hunting scene.

Dinner and Overnight: Serengeti Serena Safari Lodge / Serena Mbuzi Mawe Luxury Tented Lodge

## **Day 10**

### **Serengeti National Park – Lobo Area (Serengeti North)**

Today clients will drive to Lobo area, the "rolling land" in the northern Serengeti. Landscape there is totally different to all what clients have seen yet. Clients will possibly do a short walk around, please be aware of baboons, buffaloes and hyenas. Game drives with picnic lunch to the lobo springs, to Bologonja, Klein's Camp and along the Gagoti (maybe clients will find leopards there).

Dinner and overnight: Lobo Wildlife Lodge (Basic Lodge)

## **Days 11 - 12**

### **Serengeti Lobo - Lake Natron**

A stony track leads clients to Loliondo and Sonjo. On black soil and through a wild and clifty landscape clients will reach the Seven Corners offering you an amazing view over Lake Natron surrounded by Shompole (Kenya) in the North, opposite Gelai and next to Oldonyo Lengai - the Maasai's holy mountain. A tough track leads to tented Lodge at River Ngarasero.

Dinner and overnight: Lake Natron Bush Camp (Basic lodge)

***Clients can carefully walk to a gorge. After 30 minutes clients will reach a place which you would never have expected in this dry and desert-like area: waterfalls, natural Jacuzzi and palms! Clients will feel like in paradise!***

Examples of an additional day which can be integrated here in this itinerary:

At 2:00 a.m. clients will start your climb to the peak of Oldonyo Lengai - still an active volcano! Please strictly comply with instructions of your guide! The chance of seeing eruptions or effluents of cold lava (black and about 500°C) is really big.

Clients will have a fantastic and unique view from the peak! Clients can see the Kitumbeine, Kerimasi and Empakai Crater and by luck Mt. Meru too. Like a Fata Morgana Lake Natron lies beneath clients feet.

Dinner and overnight: Lake Natron Bush Camp (Basic lodge)

## **Day 13**

### **Lake Natron –Arusha**

Today's drive is going to be long and exhausting. Along the nearly vertical walls of the Rift our track takes us back into civilization.

Dinner and overnight Impala Hotel

## **Day 14**

### **Arusha – Kilimanjaro International Airport**

On this day of safari clients have a day room at Impala Hotel then in the evening clients will be transferred to Kilimanjaro International Airport clients fly back home

# **Tanzania - Kenya Safaris Cross Border Safari The East African Journey**

**Travel Period: January - December 14 days 13 nights Safari**

## **Day 1**

### **Arrive at Kilimanjaro International Airport**

Meet and greet at the Airport and then transfer to Mt. Meru Game Lodge for dinner and overnight HB

## **Day 2**

### **Arusha -Tarangire National Park**

After safari briefing your safari starts to Tarangire National park which is normally characterized by good wildlife during dry season huge herds of elephants can be seen in this park and it is famous for its Baobab Trees.

Dinner and overnight at Tarangire Safari Lodge FB

### **Day 3**

#### **Tarangire National Park - Lake Manyara National Park**

Your safari continues to Mto wa Mbu, where one can test papayas, mangos, bananas and other exotic fruits. Game drives Lake Manyara National Park.

Dinner and overnight at Lake Manyara Serena Safari Lodge FB

### **Day 4**

#### **Lake Manyara National Park - Ngorongoro Crater**

Drive to Ngorongoro Crater. After lunch you will experience the great variety and density of animals in the second largest Caldera on earth. The most beautiful game-drives you may experience in the late afternoon: Most of the people have left the crater-floor, the light gets soft and the activity of the wild animals increases. Please have a sufficient quantity of film-rolls with you! You will take more pictures of this fantastic African landscape, flora and fauna than you have ever expected.

Dinner and overnight at Ngorongoro Serena Lodge FB

### **Day 5**

#### **Ngorongoro Crater - Serengeti National Park**

Passing Ngorongoro crater rim you descend through a really impressive landscape down to Oldupai Gorge. There you will find the most complete and eldest proofs of human development. Stop for the information's about the cradle of mankind! Continue to the heart of Serengeti

Dinner and overnight (Special) Campsite Serengeti FB

### **Days 6 – 9**

#### **Serengeti National Park**

You will have plenty of time to explore the Serengeti, one of the most beautiful National Parks in the world with an incredible live stock. Your game drives will be adapted to the animals' position. This season is also called "cat's time", because all big cats are going hunting more as the big herds are standing in the North, in Maasai Mara.

As all our safaris have no limit of mileage and time, you have the best chances to become witness of a hunting scene.

You will also make an excursion in direction of Lobo and Fort Ikoma.

Dinner and overnight (Special) Campsite Serengeti FB

### **Day 10**

#### **Serengeti National Park - Tanzania-Kenya border Isibanya – Kenya (Maasai Mara Game reserve)**

Heading for Lake Victoria you will pass the Western Corridor and drive to the Tanzania/Kenya border at Isibanya. Change to our Kenya agency's vehicle and drive into Maasai Mara.

Dinner and overnight at Special Campsite along the Mara River

### **Days 11 – 13**

#### **Maasai Mara Game Reserve**

You will have plenty of time to discover the Maasai Mara. Game drives according the animals' situation. The Maasai Mara is the northern part of the Serengeti Ecosystem which is characterized by many different species of wild animals all year round. In July normally the world famous Great Migration facing north crosses the Mara River and the Sand River. Until end of October/beginning of November about 2.5 million wildebeests and zebras can be seen in the Maasai Mara. A unique spectacle showing up in Serengeti from June to November

Dinner and overnight at Special Campsite along the Mara River

### **Day 14**

#### **Maasai Mara Game Reserve – Nairobi**

After breakfast you will leave Maasai Mara and drive to Nairobi Airport. Lunch on route, a dayroom up to 18.00 will be provided. Later Transfer to the airport. B/L

## **Kenya – Tanzania Cross Border Safari In The Shadow of Kilimanjaro**

Travel Period: January - December 18 days 17 nights Safari

### **Day 1:**

**Nairobi**

Arrive at Jomo Kenyatta International Airport in Nairobi where we will welcome you and transfer to your hotel for a briefing about the next days. Depending on arrival time we can arrange a city tour or a visit to any place of your interest.

D/B Fairview Hotel

**Day 2:**

**Nairobi – Amboseli National Park**

Depart from your Hotel around 8.00 a.m. and drive via Namanga to Amboseli. Enjoy lunch at the lodge and go for game drive later in the afternoon. If you are lucky you see Mt. Kilimanjaro with a sunset.

D/FB OI Tukai Lodge

**Day 3:**

**Amboseli National Park**

On your morning and afternoon game drives you will come across many elephant families and big bulls. You are looking out for lions and cheetahs and watch various herbivores. You will spend the hottest time of the day in the shady and beautiful compound of the lodge from where you can safely observe passing animals.

D/FB OI Tukai Lodge

**Day 4:**

**Amboseli – Tsavo West**

You will join the convoy to drive on a rough road to Tsavo West. On your way you will pass a only few hundred year old black lava flow – Shetani (devil).

Lunch at the camp and game drive later in the afternoon

D/FB Severin Safari Camp

**Day 5:**

**Tsavo West**

Today you take your breakfast at the Mzima Springs. At this time of the day it is very quiet and cool.
