Excursion to the Fig tree (if you client wish to): Drive on dusty, nearly never used trails to the north - an excursion into a

lost wilderness. Client will find a fig tree in untouched Maasai land, north of Oldupai and close to the Gol Mountains. Even if client are not so interested in trees, this tree might tell client about the last 1000 years. We found this tree about 14 years ago when working for WFP(world food program)taking supplies to Loliondo area . We are proud to show our lonely friend and you will not forget this “cathedral of a tree”!

Important: The track to the Fig tree is extremely dusty and impassable if it is raining in the area
